

## Plymouth County Cyclists' Meeting Minutes from April 3, 2017

Members Present: Corey Dailey, Mark Sturgeon, Keith Lamfers, Julie Phillips, Bob Phillips, Lonnie Bohlke, Tom Galles, Joni Kellen, Curt Driggs, Dave Bak, Bob Culler

Meeting called to order by President Keith Lamfers.

Treasurer's Report by Mark Sturgeon: Savings Acct: \$2,218.98; Checking Acct: \$4,292.61

Activity since last meeting: two PayPal transfers and a deposit for renewals, \$70.00 to the USPS for a one year renewal of our PO Box, and \$12.99 for our website domain renewal

Membership Report by Mark Sturgeon: 85 adult and 28 Youth Members.

Starting next month will be reporting only members paid up for 2017. To date 14 adults have renewed, including our first couple lifetime renewal, and one new youth. We need to bring our card reader to meetings so those present can renew with a debit or credit card.

Minutes from January Meeting:

The minutes were presented. There was a motion to approve the minutes, seconded, approved.

Old Business:

Tour De Plymouth—Mark Sturgeon gave an update. He is seeking input from the past and future century (100 mile) riders to help select a route of their choosing. There will be a 7:00 a.m. start for the century riders. Mark is soliciting donations from local businesses for door/raffle prizes.

Spring PCC Kick off Ride: will be held Sunday April 30 at Hillview Park in Hinton. This will again be a pot luck that will start at 12:00 noon. Lonnie Bohlke suggested the week before some club members go to the off road trail and walk it to correct and clean up any trouble spots.

Shirts: A sample of the order form was shown. It was decided to have the cutoff for ordering at the Hillview kick off ride. Julie will work on adding the order form on the website so anyone interested can order it and pay by PayPal or maybe print it out and place an order in person. Keith will check into whether there is a price break at a certain order number and if so we will address whether the club will buy extras to make that target and sell them for a small profit.

New Business:

Mark Sturgeon shared a handful of emails that bounce back every time we send something out in the hope someone knows these members to contact them for either a current email or to notify them to add us so their spam filter doesn't reject our emails.

Mark Sturgeon suggested the club do presentations at service club meetings, as we have a few times in the past. He also suggested the club look into matching grants and using some club funds to put up share the road signs around the county, especially on roads we frequently use. It was agreed to look into this in future meetings.

Next Meeting, Sunday, April 30, 2017, at the kick off ride at Hillview
