

Minutes from January 9, 2017 PCC Meeting

Members Present: Bob & Julie Philips, Joni Kellen, Bob Culler, Mark Strub, Keith Lamfers, Mark Sturgeon, Clayton Hodgson, Curt Driggs and Pat Kenaley

Treasurer's Report-- presented by Mark Sturgeon: Checking--\$2,217.17; Sav--\$3933.07

Membership: Mark Sturgeon: 79 adult members; 27 Youth members. Keith reminded everyone that a lifetime membership is in effect. Single lifetime membership for \$150, and \$250 per couple. Do not have the approval motion and second info at this time.

No minutes from December Meeting, Mark Strub summarized verbally what took place as this was the annual PCC Christmas Party. Summarized the Officers for 2017: President Keith Lamfers, VP Dave Bak, Treasurer/Membership—Mark Sturgion, Secretary—Mark Strub

Old Business:

Keith reported that he and Mark Strub would find a time to mount the plaque for the Picnic Table donated by PCC at the ICON Ag restroom plaza. Weather may dictate when this gets done.

Mark Strub summarized the initial findings of PCC working for the Optimists Club at the Ply Co Fair this year. Per his contacts with members of the Optimists, it would require around 35 people from PCC to cover one day at the Optimists Fair Booth. They serve kettle corn, turkey breast sandwiches, bratwurst, chips and drinks. PCC would receive a donation from Optimists that would be a percentage of the sales for that day. This would be in lieu of having our own booth at the Fair.

Shirts—Mark Strub contacted Sharon's Embroidery about club shirts. He had a proposal or mock up of some ideas. One was a t-shirt as a giveaway at the Tour de Plymouth. Cost is an issue to make affordable. Other idea was a club shirt for members, whether it be a higher end t-shirt or button down shop shirt with logos either screen printed or embroidered. Screen printing costs are \$1.30 per side per shirt in one color of print. Joni asked if we could price getting the logo digitized so that members could use their own shirts and give us capability to make small orders. Mark will follow up with Tom at Sharon's

New Business

RAGBRAI Announcement Party at S&S Barbecue on Saturday Jan 21 at 7 pm. Invitations sent out to public, no cost to the club, just a gathering for all interested parties. S&S will allow us to use a big screen tv, we just have to hook up a computer and stream the video from Des Moines. Bike Central included as promoting the party.

Discussion Items

BMX track-- Mark suggested PCC be prepared to help city with maintenance & input. We committed to this during 2016

Tour de Plymouth 2017—June 10, 2017, discussion centered around Chamber Color Run the same day. Decided this would not affect our event. Mark Sturgeon contacting Craig Hartman of Tri State Trails to coordinate with their event which is usually the same day.

Mark Sturgeon reminded the City that we will again host a family ride during Ice Cream Days.

Mark Strub will contact Martha Fagg. She is a great contact for finding out what other rides are going on during the year. This is in correlation with our Random Rides during the summer.

Next Meeting: NOTE the date change: Wednesday February 8, 7 pm at Sweet 16 Lanes. Adjourned

Plymouth County Board of Supervisors Meeting Tuesday Oct. 18th -- the PlyWood Trail Committee has an audience with the Board of Supervisors at 10 am on the 18th. As many members as possible in support of the trail that could make it to the meeting would show great support for the trail.

Bike Central's Frosty Cross is coming November 11, 12, & 13 this year. PCC has had many volunteers and racers in the past. Mark brought this up for information purposes only.

Mark will contact Sharon's Embroidery to get pricing on casual shirts and a less expensive "wicking" T-shirt idea with PCC logo. The idea was to come up with some casual were with the PCC logo on it. He will hopefully have some pricing for the next meeting.

Meeting adjourned.

Next Meeting Monday November 8, 2016 at Sweet 16 Lanes in Le Mars
