### Old Business

Tour De Plymouth- Dave Bak said they are ready to roll this Sunday. Catalano's Cucina will be serving pizza. Several routes have been mapped out and will be available day of race. We are asking those members with facebook to make sure and like the tour De Plymouth page and share it on your feed to help get the word out.

Bike Fair- There were a few more participants this year but were hoping for more. Rotary and hospital were great supporters again this year.

P.C.C. Plaque Picnic Table- Mark Strub is still working on picking it up to get it placed on table.

### New Business:

Random Rides- June, 3<sup>rd</sup> was first of the random rides. Several couple rode to Merrill. Socialized, ate supper and headed back. Keep an eye on your e-mail and face book for next one to be announced.

Fair Booth- Mark Sturgeon already paid to reserve booth. We will do the same as last year with having a bike on site that will be ridden entire fair. Sign up sheet will be available at Bike Central and e-mailed.

Plywood Trail/Community Betterment Project- Joni Kellen and Kati Bak have been working on a contest where as people create a logo for the trail and winner will receive a new bike donated by Albrecht's in Sioux City. Joni asked P.C.C. for a donation to the project. Bob Culler made the motion to give \$250.00. I second the motion and Mark Strub approved.

Ice Cream Days Parade- P.C.C. will not be represented this year due to too many people being out-of-town that week. If you are still interested in riding to promote P.C.C. you will have to contact chamber and makes those arrangements yourself. There will be no summer cross this year either.

B.M.X. Trail/Dirtworks- Mark Strub suggested P.C.C. members volunteer to help maintain track. Dave Bak suggested P.C.C. take a bigger interest or role in what that group is trying to accomplish with BMX option of cycling.

We would love to see more members at meetings. Your input is greatly appreciated.
