

Plymouth County Cyclists' Meeting Minutes from February 8, 2017

Members Present: Keith Lamfers, Lonnie Bohlke, Susie Plathe, Joni Kellen, Dave Bak, Curt Driggs, Tom Galles, Bob & Julie Phillips, Mark Sturgeon, Mark Strub

Meeting called to order by President Keith Lamfers.

Treasurer's Report by Mark Sturgeon: Savings Acct: \$2,218.10; Checking Acct: \$3,803.69

Activity since last meeting: Check to Drico for Picnic table plaque. And deposit of \$30 for 2 membership renewals.

Membership Report by Mark Sturgeon: 85 adult and 27 Youth Members.

Two new members, 3 renewals for 2017-18, giving us 5 memberships paid up until May 2018.

Minutes from January Meeting presented.

Motion to approve treasurer's report, membership and January minutes by Susie Plathe, 2nd by Dave Bak. Motion approves unanimously.

Old Business

Joni Kellen presented an updated version of the PCC logo and proposed some changes. Motion by Mark Sturgeon to approve new PCC logo subject to changes as presented by Joni: 2nd by Dave Bak. Motion carried. Joni will make final changes and send these via email to 5 members in attendance tonight for final approval.

Optimists' booth at PLY Co Fair: It has been proposed by Mark Strub that we contact the Optimists Club of Le Mars to work at their food booth during the Ply Co Fair. Optimists will pay \$10/hour for every PCC member working at Fair. This could be a nice fundraiser for us and Optimists will allow us to wear PCC t-shirts and speak to fair-goer's about PCC during shifts. Mark has contacted Sue Brandenburg of the Optimists about this. Will update further once Optimists can pinpoint what day and times they will need help.

Mark Strub presented an example of PCC casual wear. Sharon's Embroidery used a template of Joni's new logo idea to embroider said logo onto shirts for members. The embroidered design was placed on the front over a breast pocket and on the back tail of the shirt. Discussion followed. It was decided that we would proceed with Sharon's for this shirt or like shirts to be made at each member's discretion. Keith Lamfers presented a shirt idea from a company call RedCap. Keith will price out the shirts and contact those in attendance this night for interest and get some made by Sharon's. It was decided that for a mass order of PCC dub shirts, Mark should follow up with Sharon's and present a t-shirt idea that may be less expensive and present as soon as possible.

New Business:

Bike Central's DNF Ride is Saturday February 18th, \$25 registration fee.

Siouxland Cydists Winter SUX Ride: Saturday February 25th

Spring Kick Off Picnic—Lonnie Bohlke will check on availability of Hillview Shelter for the first or second weekend in May and get back to the Club.

Discussion items: Curt Driggs discussed some bike sales at Bike Central that peaked his interest in the Club potentially purchasing a bicycle for a raffle in May which is National Bike Month. Dave Bak mentioned the Bike Fair in May and that we should contact Troy Carter of Iowa Bike Coalition regarding his help with the Bike Fair again this year that was hosted with the Le Mars Rotary. Siouxland Cyclists would like to coordinate their bike fair with PCC's which may help with Mr. Carter's travel schedule.

Smaller discussion items: Tata's Cancer ride this year, Charter Group Club for RAGBRAI and it's potential as a fund raiser and 2019 Le Mars Sesquicentennial Celebration.

Next Meeting, Monday March 6, 2017
