### Old Business:

Mark Strub reported the Plaque for the Picnic Table donated by PCC at the ICON Ag restroom plaza has been ordered as previously reported. They are having problems with the artwork at Drico in Le Mars. He found a new file in eps format that is working.

Mark was going to try to have another Random Ride if possible before the season ended.

BMX track on hold with the city. Monte Brent and Mark went out and finished knocking down the weeds.

Annual Christmas Party is Monday Dec 5<sup>th</sup> at 6 pm at the Legion Hall. Catalano's will be catering the event.

Tour de Plymouth 2017—push for second Saturday in June.

Mark called the Optimists' Club about joining efforts during the Fair in 2017. Many clubs are joining forces to man their Fair Booths in the future. Due to the difficulty in getting people to work the booth the past couple of years and hearing others having the same issue, Mark gave them a call. Waiting on a response.

### New Business:

Plymouth County Board of Supervisors Meeting Tuesday Oct. 18<sup>th</sup> -- the PlyWood Trail Committee has an audience with the Board of Supervisors at 10 am on the 18<sup>th</sup>. As many members as possible in support of the trail that could make it to the meeting would show great support for the trail.

Bike Central's Frosty Cross is coming November 11, 12, & 13 this year. PCC has had many volunteers and racers in the past. Mark brought this up for information purposes only.

Mark will contact Sharon's Embroidery to get pricing on casual shirts and a less expensive "wicking" T-shirt idea with PCC logo. The idea was to come up with some casual wear with the PCC logo on it. He will hopefully have some pricing for the next meeting.

Meeting adjourned.

Next Meeting Monday November 8, 2016 at Sweet 16 Lanes in Le Mars
