 - Some thoughts for next year:
 - Reduce trips to the grocery store. multiple trips made for ICE, donuts, plates, buns, utensils.
 - Do we need donuts for next year. some left over possibly due to arriving late. Order ahead if we decide we need.
 - Mark Sturgeon will get a count from towns and states for next meetings. This helps with grant application in December for TDP 2021.
 - Banner for PCC Club was donated by Sara. Thank You.
 - Hot dogs, extra food needed for TDP was donated by Kevin. Thank You.

Plymouth County Cyclist Meeting Minutes

- ❖ Tuesday night Rides - Municipal park is working. Good location start. 9 to 15 people have been attending. About 6 to 8 sticking around after the ride. BYO is going well so not recommending any grilling for this year. We will keep this setup for remainder of 2020 and discuss next year after COVID is behind us.
- ❖ Lifetime Plaque – Mark sent examples a few months ago. Many options give on the Plymouth Awards website. Keith will take this over and narrow down examples and pricing. Start with 50 names.
- ❖ Bike Racks for downtown – a few businesses have been asking about the club setting up bike racks around town. IE: Awaken Yoga, Le Mars Functional Fitness, Hair Studios, etc.
 - Mark will look at old receipts for pricing options and will talk to Jessica Brownmiller about city requirements and send out an email to the group.
 - Sara will have some design options to show what could be possible.
 - Joni contact vendors for shared costs. IE: Scheels, Mercy One, etc.
- ❖ Plywood Trail – Eddie asked about the status. Engineering is completed for the 1st phase to Merrill. Committee members hope to have some start by next year but that is not official. Committee meetings continue as Mark knows more can give updates at the meetings.

Motion to close meeting by Keith, seconded by Dave, members approved.

Meeting Adjourned.

Next Regular meeting: Sept 14th, 2020, **6:30 pm** – American Legion Le Mars, Iowa and ZOOM
