Old Business

Hillview Trail Cleanup: We are still on board to help. National Trails Day is June 1st and PCC can partner with the conservation team. More information will be sent later.

Tour de Plymouth June 8, 2019: Since we did not get a volunteer to replace Mark Sturgeon this will be a PCC group effort. We have \$500 in grant money from the CVB for 2019. We did miss the deadline for the 2020 grant. Mark Sturgeon will bring all the information to put on this event at the next PCC meeting. Please plan to attend.

RAGBRAI Announcement Party Jan 26th in Des Moines: The event was well attended. We were hoping Le Mars to be announced but we will definitely get our application and committees noted to send in letters one week after Ragbrai ends this year hoping to be considered for 2020.

DNF ride, Bike Central, Feb 16th. Kevin Richards noted everything is ready. Bike Central opens at 8 am. Riders will start around 9:00 AM. Check Bike Central's website or Facebook page for information. Corner Café in Brunsville will be open again for the event.

BMX track - Community Betterment funding. BMX USA may assist to build a sanctioned track. If any help is needed PCC will offer to assist. More information to come later.
